

**A Workshop on Understanding Research in biomedical Sciences:
A hands-on Workshop for Beginners: Report**

Name of College: CAM Institute of Allied Health Sciences & Technology & Smt. L. P. Patel Institute of Medical Laboratory Technology.
Name of Department: IQAC Department of CAM Institute of Allied Health Sciences & Technology & Smt. L.P.Patel Institute of Medical Laboratory Technology.
Name of the Event: A Workshop on Understanding Research in biomedical Sciences: A hands-on Workshop for Beginners
Date/s of Celebration: 04 February 2025.
Venue of Celebration Activities: Seminar Hall, Amritaben Building for Public Health
Objective/s of Celebration (upto 3): <ol style="list-style-type: none">1. To provide participants with a solid understanding of the basics of research, including how to identify research problems and define aims and objectives.2. To guide participants in uncovering knowledge gaps through thorough literature review and help them to crystallize their research goals.3. To teach participants how to choose the right research design and perform data analysis using simple tools and techniques, while also exploring ways to enhance research quality with the use of AI.
Brief summary on the Activities Conducted to Celebrate the day (upto 500 words): <p>The "Workshop on Understanding Research in Biomedical Sciences" was held on 4th February 2025 at Bhaikaka University, organized by the Internal Quality Assurance Cell (IQAC) in collaboration with the CAM Institute of Allied Health Sciences and Technology and the Smt. L.P. Patel Institute of Medical Laboratory Technology. The workshop aimed to provide beginners with a comprehensive understanding of the biomedical research process, focusing on research problem identification, literature review, research design, and data analysis.</p> <p>The workshop had three main objectives:</p> <ol style="list-style-type: none">1. Introduction to Research Basics: Participants were introduced to the fundamentals of research, including how to identify research problems and set clear research aims and objectives.2. Literature Review and Knowledge Gaps: The importance of conducting a literature review was emphasized, helping participants uncover existing knowledge gaps and refine their research focus.3. Research Design and Data Analysis: The workshop covered how to choose the right research design, perform data analysis using simple tools, and enhance research quality through the use of Artificial Intelligence (AI). <p>Eminent speakers, including Dr. Suman Singh, Dr. Dinesh Kumar, Dr. Swati Roy, Dr. Deepak Sharma, Ms. Jaishree Ganjiwale, and Dr. Sarmishtha Ghosh, shared their expertise on various aspects of biomedical research. The hands-on approach allowed participants to engage with the material, ask questions, and gain practical experience.</p> <p>Overall, the workshop provided valuable insights into the biomedical research process and equipped participants with essential skills to embark on their research journey. It highlighted the importance of research in advancing healthcare and biomedical sciences while offering participants a chance to learn from experienced professionals in the field</p>
Target Population: Students of T.Y.B.Sc MT, PGDMLT, M.Sc MT (MLT)Part-I, M.Sc MT

(MLT)Part-I, Ph.D Scholars, Faculty.

Total Participants: 51

**A Workshop on
Understanding Research in Biomedical Sciences:
A Hands-on Workshop for Beginners.**

4th February, 2025 (Tuesday)

PROGRAM OUTLINE

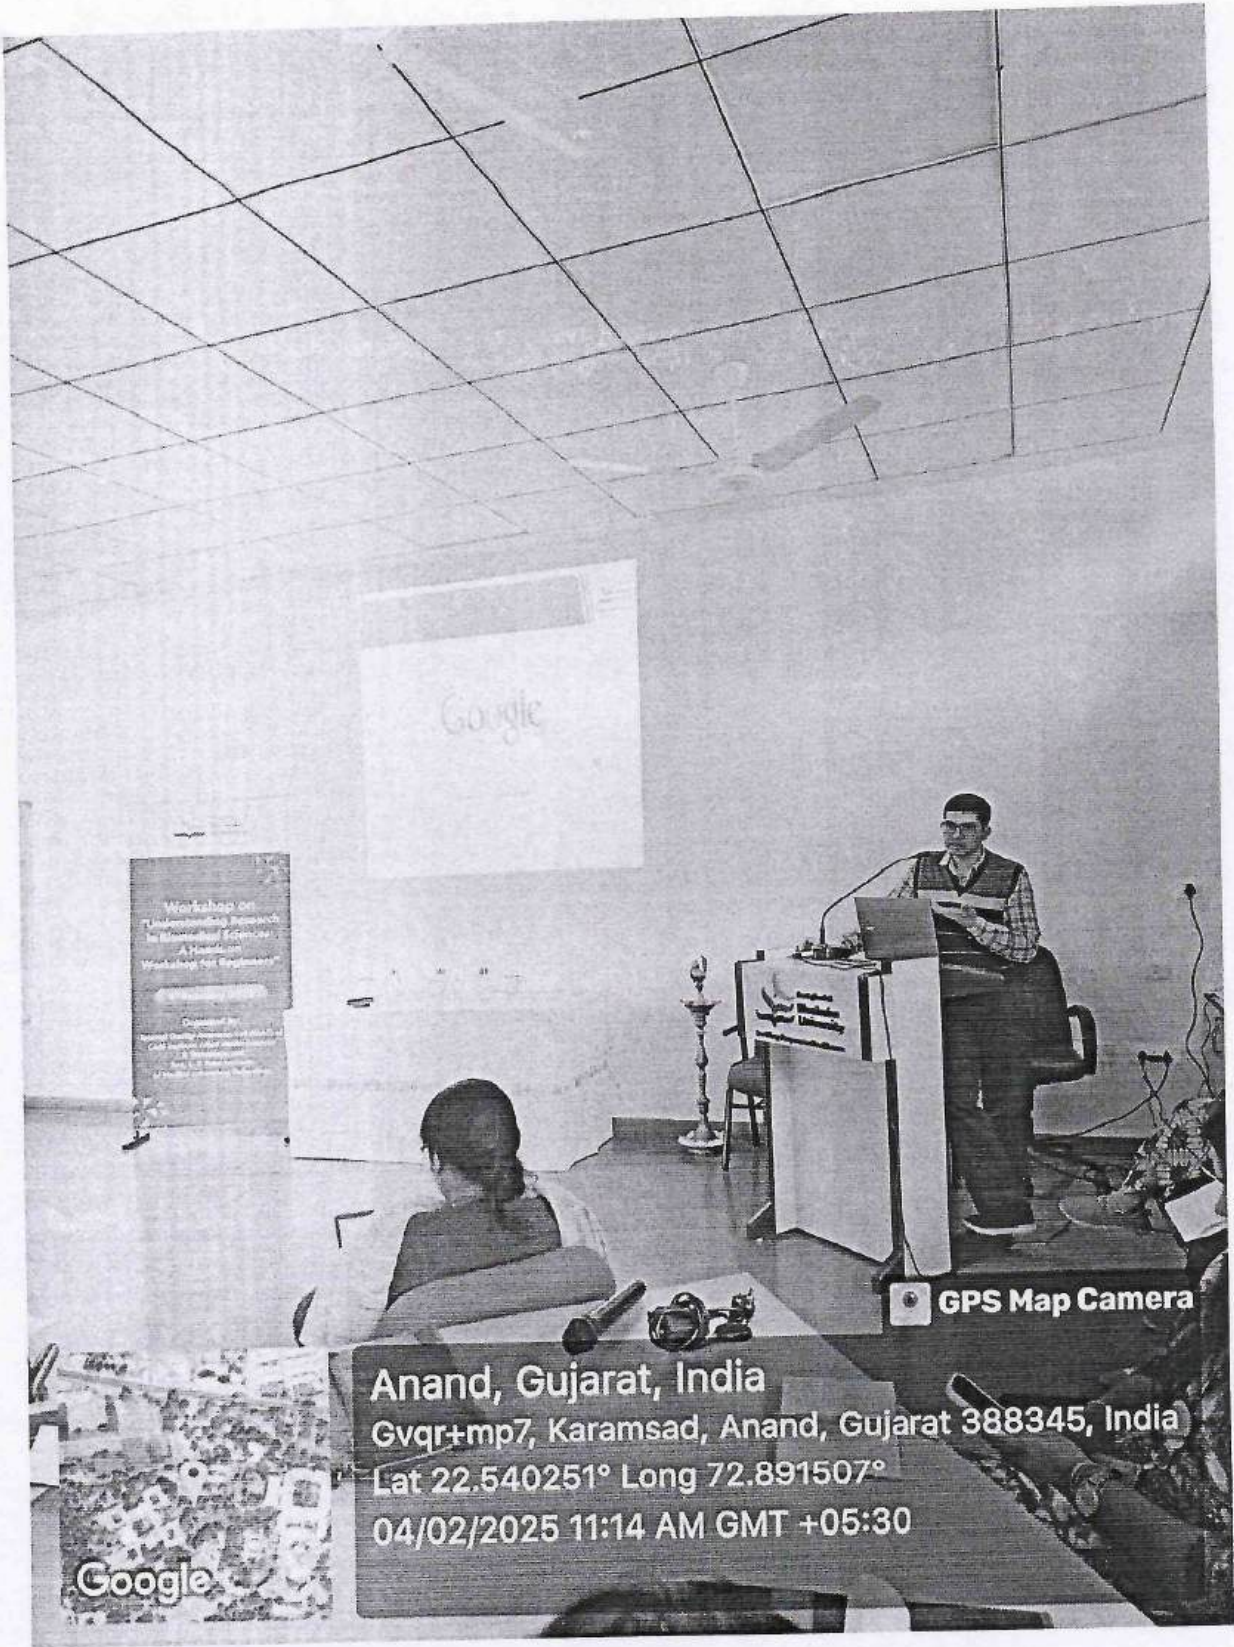

Session/ Time	Duration	Topic	Speaker / Facilitator	
09:00-09:25		Registration, Breakfast and Pre-Test	—	
Morning Session (09:30 AM to 12:30 PM)	09:30-09:35	05 mins	Inauguration (Prayer & Lamp Lighting)	Invited Dignitaries
	09:35-09:45	10 mins	Welcome Address	Dr. Sonal Chitroda I/c. Principal, LPPIMLT/CAMIAHST
	09:45-09:50	05 mins	Key Note Address	Dr. Abhay Dharamsi Provost, Bhaikaka University
	09:50-10:45	45 mins	Basics of Research and Identifying a Research Problem	Dr. Suman Singh Prof. Microbiology, PSMC
	10:45-11:45	1 hour	Uncovering Knowledge Gaps: through Literature Review	Dr. Dinesh Kumar Prof. Community Medicine, PSMC
	11:45-12:30	45 mins	Crystallising Aim & Objectives	Dr. Swati Roy Member Secretary, IEC, Bhaikaka University
12:30-01:20		Lunch		
Afternoon Session (01:30 PM to 5:30 PM)	01:30-03:30	2 hours	Choosing the Right Research Design: To Achieve the Aim and Objectives	Dr. Deepak Sharma Head & Prof. Community Medicine, PSMC
	03:30-04:15	45 mins	Performing Data Analysis with Simple Tools and Techniques.	Ms. Jaishree Ganjiwale Asst. Prof. Biostatistics, PSMC
	04:15-05:00	45 mins	Enhance the Quality of Research with AI.	Dr. Sarmistha Ghosh Head & Prof. Health Profession Education, Bhaikaka University
	05:00-5:30	30 mins	Post-Test, Feedback & Take Home Message	Dr. Sonal Chitroda I/c. Principal, LPPIMLT/CAMIAHST
High Tea

ABOUT BHAIKAKA UNIVERSITY

The Charutar Arogya Mandal was formed in 1972 as a non-profit Trust and a Society to work in health care and education. The Founder Chairman, Dr. H M Patel – the former Finance and Home Minister, an astute academician, and a Philanthropist, led the Institution with a legacy that still prevails – “Solace for the Suffering”. The dictum is the beginning and the conclusion of all endeavors we take up, driving our efforts in healthcare, education, research, and community health. The Trust’s main objective, as enshrined in its Constitution, is to make healthcare facilities accessible and affordable to the people of Gujarat. In 2019, the Government of Gujarat conferred upon the status of a Private University and the Bhaikaka University commenced under the State Private University Act 2009. Charutar Arogya Mandal now acts as the University’s supporting body. The University is named after an illustrious and accomplished academician, Shri Bhailalbai Patel, fondly known as Bhaikaka, who was instrumental in setting up Vallabh Vidyanagar, the education hub of the rural Charutar region – the central belt from Ahmedabad to Baroda in the state – to be precise.

ABOUT CAM INSTITUTE OF ALLIED HEALTH SCIENCES & TECHNOLOGY & SMT. L. P. PATEL INSTITUTE OF MEDICAL LABORATORY TECHNOLOGY

The CAM Institute of Allied Health Sciences and Technology, a constituent Institute of Bhaikaka University, offers graduate programs, Medical Laboratory Technology, Radiography & Medical Imaging Technology, Respiratory Care Technology, Operation Theatre and Anesthesia Technology & Radio-Therapy Technology. Post-graduate programs, Medical Laboratory Technology, Radiography & Medical Imaging Technology and Perfusion Technology. Post-graduate diploma programs, Dialysis Technology, Cardiac Care Technology and Clinical Dietetics under the discipline of Medical Technology, designed to train skilled professionals in allied health sciences, established in 2017, the institute collaborates with premier institutions like Shree Krishna Hospital and Pramukhswami Medical College to provide hands-on training in advanced diagnostic and therapeutic technologies, preparing students for rewarding careers in healthcare. Its foundation lies in fostering an open mind, nurturing students with practical skills, and molding them into future healthcare professionals who excel in a multidisciplinary environment. Additionally, the institute carries forward the legacy of the Smt. L.P. Patel Institute of Medical Laboratory Technology, established in 1981, which offers NABL- and NABH-accredited training through PG-DMLT and M.Sc. Medical Technology-Medical Laboratory Technology programs, emphasizing laboratory-based research and excellence in clinical diagnosis. Together, these institutions are dedicated to shaping the next generation of healthcare professionals with a commitment to quality education and patient care.

ABOUT WORKSHOP

The workshop aims to provide a comprehensive introduction to research methodology and biostatistics, tailored for students of Allied Health Sciences. It seeks to build a strong foundation in research by covering fundamental concepts and fostering the ability to identify and address research problems within their respective fields. Participants will gain practical skills in basic statistical analysis and data entry, focusing on user-friendly methods without relying on complex tools. Additionally, the workshop will guide attendees through the process of writing research proposals and theses, empowering them to design and execute effective research studies. By equipping students with these essential skills, the workshop contributes to their academic and professional growth, encouraging advancements in biomedical sciences.

TOPICS COVERED

- Basics of Research and Identifying a Research Problem
- Uncovering Knowledge Gaps: Through Literature Review
- Crystallising aim & objectives
- Choosing the Right Research Design: To achieve the aim and objectives
- Performing data analysis with simple tools and techniques
- Enhance the quality of research with AI

EMINENT SPEAKERS

Dr. Suman Singh
*Professor,
Microbiology, PSMC*

Dr. Dinesh Kumar
*Professor,
Community Medicine, PSMC*

Dr. Swati Roy
*Member Secretary,
IEC, BU*

Dr. Deepak Sharma
*Head & Professor,
Community Medicine, PSMC*

Ms. Jaishree Ganjiwale
*Assistant Professor,
Biostatistics, PSMC*

Dr. Sarmishtha Ghosh
*Head & Professor,
Health Profession Education, BU*

ORGANIZING COMMITTEE

PATRON:

Dr. Abhay Dharamsi
(Provost, Bhaikaka University)

CONVENOR:

Dr. Sonal Chitroda
(I/C Principal, CAM Institute of Allied Health Sciences & Technology and Smt. L. P. Patel Institute of Medical Laboratory Technology)

CO-CONVENOR:

Dr. Dipal Bhatt
(I/C Vice-Principal, CAM Institute of Allied Health Sciences & Technology and Smt. L. P. Patel Institute of Medical Laboratory Technology)

MEMBERS:

Dr. Ankita Bhatiya, Mr. Satish Kumar Jha,
Ms. Prachi S. Patel, Ms. Prachi D. Patel
& **Ms. Shivani Thaker**

REGISTRATION COMMITTEE:

Ms. Binita Patel & Ms. Drashti Purohit
(For any query: binitatp@charutarhealth.org & drashtiap@charutarhealth.org)

WHO CAN PARTICIPATE

Any personnel from the field of Biomedical Sciences, Students, Faculties / Academician, Ph.D. Scholars / Researchers, Health Care Professionals.

REGISTRATION DETAILS

- Workshop Registration Link: <https://forms.gle/wdKpwMGWND6GgsAeA>
- All participants have to register online along with the payment of the registration fee.
- Mode of Payment: Online as per details given below
- For any query: binitatp@charutarhealth.org & drashtiap@charutarhealth.org

Name of Bank	HDFC Bank Ltd
Name of A/C	Bhaikaka University
Bank A/C No.	50100537233711
IFSC Code	HDFC0000183
Branch	Anand / Karamsad / Vallabh Vidyanagar

REGISTRATION FEES

Category	Early Bird Registration 25th January 2025	Late Registration 26th to 1st February 2025
In-house students	300/-	500/-
Outside students	600/-	800/-
In-house faculties / Researcher / Ph.D. Scholar	700/-	1000/-
Outside faculties / Researcher / Ph.D. Scholar	1000/-	1200/-

*Fees includes Breakfast, Lunch, Hi-Tea and workshop kit.

A Workshop on Understanding Research in Biomedical Sciences: A Hands-on Workshop for Beginners.
