

Ms. Heta Pandya
M. Sc. Medical Imaging Technology
Assistant Professor
LPPIAHST Institute of Allied Health Sciences & Technology
Bhaikaka University
Email: hetabp@bhaikakauniv.edu.in

Ms. Heta Pandya is a Radiographic Technologist by training and currently serves as an Assistant Professor at the Smt. L.P. Patel Institute of Allied Health and Science & Technology, Bhaikaka University. She holds a Master's Degree in Medical Imaging Technology from Charotar University of Science and Technology, earned in 2023.

With over one and a half years of combined experience in academic teaching and technical practice, she brings a balanced and practical approach to healthcare education. Beyond her teaching responsibilities, Ms. Pandya actively contributes to the institute's academic, research, and administrative initiatives. Her dedication to fostering academic excellence and institutional growth is reflected in her multiple professional roles and contributions.

As part of her postgraduate research, she completed a thesis titled "The Role of Multi-Detector Computed Tomography in the Evaluation of Renal Stones," highlighting her expertise in advanced imaging modalities and diagnostic interpretation. She has also presented a poster at the Indian Society of Radiographers and Technologists (ISRT), underscoring her active involvement in academic and professional forums.
