

Ms. Prachi Dipakbhai Patel

M. Sc. Medical Technology- Medical Laboratory Technology
Assistant Professor
Smt. L P Patel Institute of Allied Health Sciences & Technology
Bhaikaka University
Email: prachidp@charutarhealth.org

Ms. Prachi Patel is currently working as an Assistant Professor at the Smt. L P Patel Institute of Allied Health Sciences and Technology. Holding a Master's degree in Medical Laboratory Technology from Sardar Patel University (Anand), where she graduated as a Gold Medalist with an impressive score in May 2023, Prachi has demonstrated her dedication and excellence in academics. Prior to her Master's, she completed her Bachelor's degree in Medical Laboratory Technology from the same university with a commendable score in May 2021.

She is currently pursuing a Ph.D. at Bhaikaka University in Karamsad. During her academic journey, Prachi actively engaged in practical experiences, including a stint at Aksharam Pathology Laboratory as a laboratory technologist. Her hands-on experience continued as she worked at the Histopathology Laboratory in CDL, Shree Krishna Hospital, Karamsad. Furthermore, Prachi's research acumen is highlighted by her M.Sc. dissertation on "Assessment of chorionic villi sampling for pre-natal diagnosis of β -thalassemia," showcasing her commitment to contributing meaningfully to the healthcare field by preventing serious genetic conditions through early diagnosis. Ms. Prachi's commitment to expanding her knowledge and abilities is demonstrated by her involvement in a number of workshops, FDPs, and training sessions, including specialist training in Hands-on workshop and CME of IHC(Immunohistochemistry). She also started her research in areas of male infertility for which she is engaging in continuous professional development activities like Hands-on training on "In Vitro Fertilization" organized by Gujarat Biotechnology Research Centre(GBRC), Gandhinagar and Annual Convention for Clinical Embryology and Assisted Reproductive Technology (ACCA-2025) conference at Gujarat University.

She was an active member of the Internal Quality Assurance Cell (IQAC) at CAMIAHST and currently serving as Sports and Culture program Coordinator and member of student council committee at LPPIAHST. Apart from her academic and professional achievements, Prachi possesses strong teamwork, management, and practical skills. Her relentless work ethic, coupled with her ability to grasp concepts swiftly and efficiently manage laboratory practices and instruments, makes her a promising candidate poised for success in the teaching and healthcare sectors.
