Ms Rajeshree Yadav is currently serving as an Assistant Professor at LPPIAHST Institute of Allied Health Sciences & Technology, Bhaikaka University. Holding a Master's degree in Anaesthesia and Operation Theatre Technology from Symbiosis Institute of Health Sciences, Pune with a commendable score in May 2025. Prior to her Master's, she completed her Bachelor's Degree in Anaesthesia and Critical Care, from Parul University in March 2023.

Ms. Yadav is a dedicated and professionally trained Anesthesia Technologist with a strong academic background and hands-on clinical experience. She possesses excellent communication and leadership qualities, and she works effectively as part of a team. Her professional demeanor, academic commitment, and clinical proficiency make her a strong candidate for the role of Assistant Professor in Operation Theatre and Anesthesia Technology. She is confident that her knowledge, teaching aptitude, and clinical exposure will contribute positively to academic excellence and student mentoring.

Rajeshree's commitment to expanding her knowledge and abilities is demonstrated by her involvement in a number of workshops, and training sessions including specialist training in hands-on workshops and CME on theme of "Expanding horizons for Anesthesia & Operation Theatre Technologists after Covid – 19 Pandemic."

Rajeshree's research acumen is highlighted by her M.Sc. dissertation on "Cross sectional survey-based study on compliance of infection control protocol among operation theatre personnel across different hospital settings," showcasing her commitment to contributing meaningfully to the healthcare field.
