CAM Institute of Allied Health Science & Technology
Mentorship Program – 2023-24
Circular

Dear Students,

Mentoring is a unique method of supporting students to improve their learning and leadership skills, motivating them towards their future career development. With this in mind, our institutes have a mentorship program wherein the faculty members meet the students on day-to-day basis to listen to their issues and guide them on their overall personality development.

Our institute has organised mentor-mentee meet for all UG students (F.Y, S.Y., T.Y.B.SC. MT) on Friday, 22nd December 2023 at 9 to 5pm. Your respective mentor will inform you time and place for the meet as per their availability at the respective departments. You all have to meet your mentor on the allotted time and place without fail. Above session is mandatory for all the students.

Please find the mentors list herewith and also on MLT notice board.
